Day of Prayer
Care on Creation

September 1st at 7pm

Bishop Edward Scharfenberger
Cathedral of the Immaculate
Conception

Pope Francis instituted the day last year, stating that Christians are called to "an ecological conversion whereby the effects of their encounter with Jesus Christ become evident in their relationship with the world around them."

Good and gracious God of all created things, seen and unseen. You created all things in this world for our use, and charge us with protecting that creation. Help us to see in all things the reflection of a parent's love for a child. When we see your goodness in the face of the moon, we see our sister. When we feel the warmth of the sun on our face, we feel the love of a brother. We ask for your strength to give us wisdom and courage to protect our earthly environment from destruction and overuse. Help us to share the goodness and generosity of the earth with every living person. We ask all this in the name of Jesus Christ, our brother and savior. Amen.
