Fall 2016

Dear parents,

The Albany Diocese and the United States Conference of Catholic Bishops, in an effort to keep our children safe has developed a series of DVDs. It is our Diocesan and St. Mary's policy that each of our children will watch one of the DVDs each year.

The DVD for grades 1-5 is titled Welcome to our Safe Environment. It is a faith based age appropriate video about safety and trust.

The DVD for grades 6-10 is a Safe Environment Video titled Personal Power. It is a faith based personal safety video that describes how to avoid and respond to unsafe situations and how to get help if needed.

These DVDs will be shown during class time throughout the fall semester.

If you would like to see the video too you are more than welcome to join us. If you have any questions please feel free to email me at the above address.

God's Peace,

Jake
