

From Retreat Participants:

“I experienced a great inner healing as a result of attending the Rachel’s Vineyard Weekend. I highly recommend this program to anyone who has felt the void and shame of the abortion experience. It is wonderful to forgive yourself, find the unconditional love of Christ and grieve the loss of your little child.”

“It was a very intense and powerful weekend. A lot was accomplished. I was amazed at the sense of support felt. For the first time, it was okay to talk about what happened and know that everyone has experienced the same feeling.”

“Rachel’s Vineyard has far surpassed all my expectations. I have never witnessed so much healing and relief from anything else I have observed or experienced.”

“I never knew my wife had suffered so much pain over an abortion she had before I met her. It was a real eye opener to attend the Rachel’s Vineyard Weekend with her and offer my support in an area of her life where there was so much secret grief. Our marriage has truly been blessed. We are closer now than we have ever been.”

Testimonial from St. Teresa of Calcutta:

"...I pray that Rachel's Vineyard may bring God's tender love and compassion to those who need His peace so much. I pray for all those who use it, seeking His peace, may open their hearts and allow God to restore them to wholeness and happiness. I am praying much for you. God bless you."
