

Hope and Healing

in the Diocese of Albany

Beverwyck Vicariate

Albany County

Jesus invites us: "Come to me, all you that are weary and are carrying heavy burdens, and I will give you rest" (Matthew 11:28). Each of us carries burdens at different points in life. Every burden is unique and the resolution to every burden is unique.

The Hope and Healing Ministry in the Diocese of Albany is part of the Office of Safe Environment whose mission is to provide Jesus' healing invitation to everyone, including survivors of clergy sexual abuse and those experiencing any other type of trauma.

The front of this page outlines the process for reporting abuse and information for New York State resources. The back lists local resources to assist people seeking rest from their burdens. Please share this page with anyone who may benefit from its information. Further information and resources can be found: www.rcda.org/hopeandhealing

Prayer for Healing Victims of Abuse

God of endless love,
ever caring, ever strong,
always present, always just:
You gave your only Son
to save us by the blood of his cross.

Gentle Jesus, shepherd of peace,
join to your own suffering
the pain of all who have been hurt
in body, mind, and spirit
by those who betrayed the trust placed in them.

Hear the cries of our brothers and sisters
who have been gravely harmed,
and the cries of those who love them.
Soothe their restless hearts with hope,
steady their shaken spirits with faith.
Grant them justice for their cause,
enlightened by your truth.

Holy Spirit, comforter of hearts,
heal your people's wounds
and transform brokenness into wholeness.
Grant us the courage and wisdom,
humility and grace, to act with justice.
Breathe wisdom into our prayers and labors.
Grant that all harmed by abuse may find peace in justice.

We ask this through Christ, our Lord. Amen.
